

# THE ANIMAL CENTER NEEDS LITTER BOXES!

The Animal Center provides a fresh litter box daily to our kittens and cats, and we found that the very best litter box is a donated cardboard tray!

## LITTER BOXES CAN BE MADE FROM:

Cardboard trays that hold cases of canned pet food or soda  
*(found at super centers, wholesalers and other retailers)*

Regular boxes cut down to litter box size

*(Correction from an earlier request: lids from paper boxes are too large!)*

Items can be donated to the Animal Center:

Monday-Friday 11a-7p

Saturday 11a-5p

Sunday 1-5p
